

- *Federal law, i.e., Section 504, Section 508 and the Americans with Disabilities Act (ADA), require all people with disabilities be provided accommodation to allow them, as reasonably possible, equal access/experience to course content.*

- *The three basic requirements are:*

- 1. All PDF documents be optical character recognition (OCR) compliant which allows screen reading software to recognize and articulate the text.*
- 2. All video and audio files be captioned.*
- 3. All still images contain alternative text.*
